KENKEN MATH PUZZLE OLYMPIAD

Vivaan Karande, Yuven Kothari, and Driti Kothari of Checkpoint I have been awarded certificates and medals for successfully clearing the City Round of the KenKen Math Puzzle Olympiad and qualified for the National round.

FIDE OPEN RAPID CHESS TOURNAMENT

Ishaan Roy of PRE-IG has secured 1st place in the Under-15 Boys category at the All India FIDE Open Rapid Chess Tournament!

ANNUAL ABACUS, VEDIC MATH, AND MENTAL MATH COMPETITION

We are proud to share that **Ira Joshi** and **Evan Amal** of CP IV A excelled at the Annual Abacus, Vedic Math, and Mental Math Competition – Velocity 2024, conducted by Whizz Kids Academy. Ira secured the Silver Medal, and Evan won the Bronze Medal, showcasing their remarkable skills.

RUBIK'S CUBE

Driti Kothari of **Checkpoint I A** showcased her remarkable skills in the competition, 'Maximum Number of Participants Solved Different Rubik's Cubes on an Online Platform.' She impressively solved three different Rubik's Cube puzzles simultaneously online, completing all three in a record time of just 4.32 minutes.

OPPORTUNITIES FOR STUDENTS

Every student is given the opportunity
to explore, excel, and shine in all areas
of learning

READING BUDDIES: BRINGING STORIES TO LIFE!

To nurture a love for reading and build confidence in young learners, a Reading Buddies activity was conducted for CP I, II & III on 6th January 2025, where students took turns reading stories to their peers. This interactive session enhanced their fluency, comprehension, and listening skills, while also fostering collaboration and communication.

IBDP PHYSICS STUDENTS EXPLORE THE FUTURE OF ENERGY: NUCLEAR POWER & NET ZERO

On November 13, 2024, IBDP Physics students participated in a live Zoom session organized by the Nehru Science Centre, featuring Dr. A.P. Jayaraman in collaboration with ROSATOM, Russia. The lecture, focused on nuclear power and its role in achieving net-zero carbon emissions, showcased how advanced scientific knowledge can drive sustainable solutions to global challenges. This interactive session highlighted the IBDP program's commitment to fostering critical thinking and innovation, encouraging students to engage with real-world issues and explore pathways to a sustainable future.

REPORT ON OCEAN AWARENESS LITERACY PROGRAMME

The Ocean Awareness Literacy Programme was conducted to educate students about the significance of ocean conservation and sustainability on 22nd Jan 2025 by Elsie Gabriel. The session emphasized the interconnectedness of marine ecosystems with human life, highlighting issues such as climate change, plastic pollution, and biodiversity loss.

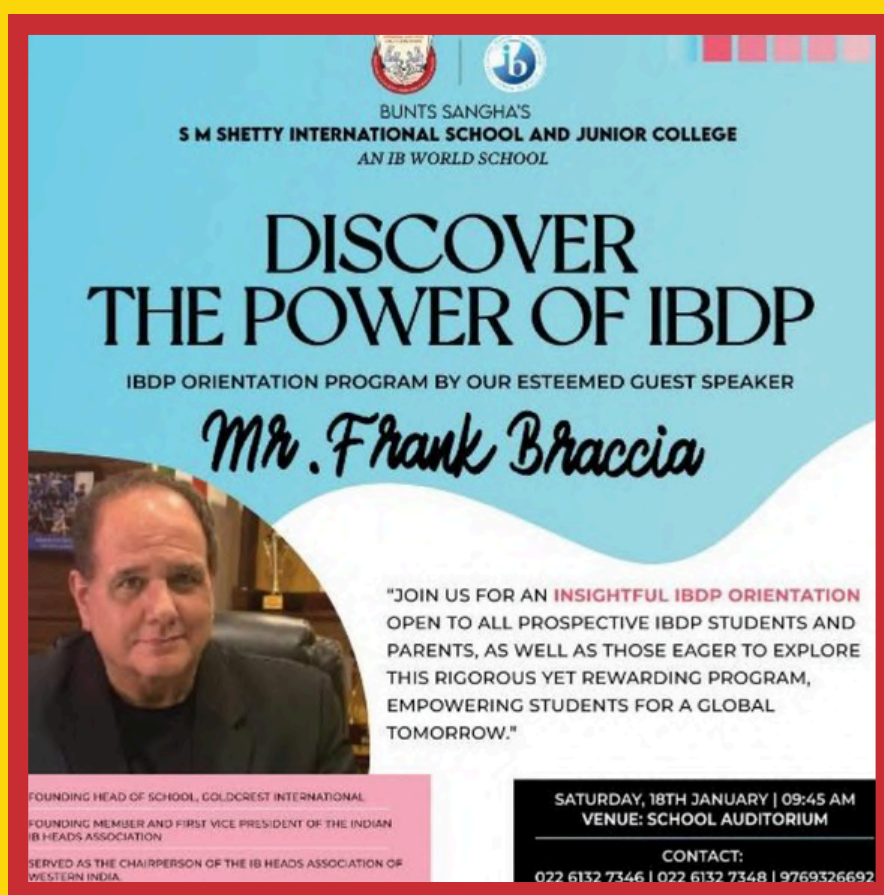

OPPORTUNITIES & ACHIEVEMENTS FOR TEACHERS

Teachers are empowered with opportunities to grow, innovate, and inspire every day.

DISCOVER THE POWER OF IBDP WITH MR. FRANK BRACCIA

All of our IBDP teachers attended the session – Discover the Power of IBDP by Frank Braccia on Saturday 18 January 2025 at the school auditorium. Mr. Frank Braccia has served as the Chairperson of the IB Heads Association of Western India. Through the session, teachers gained newer insights into the IBDP philosophy, and curriculum.

The poster is for an IBDP orientation program. It features a portrait of Mr. Frank Braccia on the left. The text is centered and includes the school's name, the event title, the speaker's name, a quote from the speaker, and logistical details at the bottom.

IBDP CATEGORY 2 WORKSHOP

The IBDP Category 2 workshop was conducted from 15th November 2024 to 17th November 2024 at Ecole Mondiale World School, Mumbai organized by the IB Global centre, Singapore, and was led by Mr. Anil Ghodake, an experienced practitioner of IB. Ms. Shraddha Wagle, Ms. Ritika Punjabi and Ms. Sadhana Maurya attended the workshop. The workshop focused on deepening understanding of the IB philosophy, subject-specific strategies, and assessment frameworks. It emphasized best practices for facilitating inquiry-based learning and fostering critical thinking among students.

IBDP - SAIBSA SUBJECT SPECIFIC CATEGORY 2 TRAINING

On Saturday 9th Nov 2024, IBDP teachers also attended the SAIBSA Subject Specific Category 2 training organized by Edubridge School. The workshop provided an opportunity to network with their subject specific fraternity across IBDP schools and discover the latest teaching and learning methodologies so as to benefit the students.

ICA TEACHER AWARD 2024

We are very proud of our IEYC Coordinator **Ms Margaret Paul**. She has been awarded as a finalist for the ICA Teacher Award 2024.

INTERNATIONAL MATHS TEACHER OLYMPIAD BY UPEDUCATORS.

We are very proud of our Primary Checkpoint Coordinator **Ms Nilambari Kolwalkar**. She has been awarded a Certificate of Achievement for securing a top 500 rank in the International Maths Teacher Olympiad by upEducators. She truly is an inspiration to her students and all her fellow educators.

YMCA TOURNAMENT

Our Sports faculty, **Dr. Deepak Patil** secured the first position in 200 M in running and Short Put (7.26 Kg) , Mumbai held by Bombay YMCA, Physical Education Department.

SESSION ON AI TOOLS

Ms. ELizabeth Abraham conducted a session on AI tools for our teachers. Our Teachers left with a a better understanding of AI and its applications in education, as well as practical tips and ideas to integrate AI into their teaching practices.

COMPETITIONS

A wide range of competitions fosters creativity, confidence, and a spirit of healthy challenge among students.

POETRY RECITATION COMPETITION

On 8th January 2025, students of Checkpoint I & II showcased their talent and passion in a captivating Poetry Recitation Competition on the theme of Freedom, Independence, and Patriotism. Each participant poured their heart into the verses, leaving the audience inspired and proud. The Winners:

GRADE	FIRST	SECOND	THIRD
Checkpoint I	Ayeshakhan Pathan	Yashee Dave	Rudransh Bhosale, Mishka Desai
Checkpoint II	Vihaan Varshneya	Sierra Bane	Kangana Srivastava

GEEK-O-PEDIA

In the spirit of these inspiring words, an exciting Inter House GK Quiz – ‘GEEK-O-PEDIA’ was held on January 13, 2025. Four houses, each represented by three participants from CP I to V, battled it out in a thrilling test of knowledge and quick thinking. The competition featured mind-boggling rounds covering a wide range of topics, including current affairs, science, sports, music, and more. The event was not only a test of intellect but also a celebration of curiosity and learning. Participants impressed the audience with their sharp thinking, while spectators were equally engaged, gaining valuable insights along the way.

ASSEMBLIES

School assemblies inspire values, build confidence, and showcase student talents through engaging performances and reflections.

CHECKPOINT II ASSEMBLY

On January 29, 2025, the students of Checkpoint II delivered outstanding performances of *The Tempest* and *Unmasking of Macbeth*. Under Helen O'Grady International's guidance, they showcased remarkable confidence, expressive acting, and seamless choreography. The audience was captivated, applauding the students' dedication and talent in bringing Shakespeare's works to life in a truly memorable theatrical showcase.

IGCSE I ASSEMBLY

★ The IGCSE I assembly on Bollywood was a vibrant celebration of Indian cinema's impact on culture and society. It began with an energetic dance performance, followed by a presentation on Bollywood's evolution. A thought-provoking skit highlighted how films address social issues, inspiring change. An interactive quiz tested students' knowledge of iconic movies, actors, and dialogues. The assembly concluded with a musical tribute featuring popular Bollywood songs, leaving the audience entertained and nostalgic. Combining entertainment with insight, the assembly successfully showcased Bollywood's influence on art, culture, and storytelling, making it an engaging and memorable experience for all.

A celebratory graphic with a dark background. At the top, the word "EVENTS" is written in large, white, hand-drawn capital letters. Below it, a green rounded rectangle contains the text "Events celebrate learning, culture, and creativity, making every moment memorable for students and staff alike." in white. At the bottom, an illustration shows a girl and a boy wearing party hats and blowing into striped party horns. The background is decorated with various colorful elements: a blue squiggle in the top left, a red squiggle and a blue star in the top center, a yellow star in the top right, a yellow squiggle in the middle left, a yellow star and a green star in the middle left, a yellow star in the middle right, and an orange squiggle in the bottom right.

Events celebrate learning, culture, and creativity, making every moment memorable for students and staff alike.

ANNUAL DAY

Beyond the Spotlight....A Show of the Lifetime.

Bunts Sangha's S.M. Shetty International School and Junior College celebrated its Annual Day with the enchanting musical Beyond the Spotlight. The play narrated the inspiring journey of young Arthur, a talented performer who discovers that true greatness lies beyond fame, in relationships and values.

The evening commenced with a melodious performance by the school choir and an elegant prayer dance, setting a celestial tone.

The event was graced by the Management and Chief Guest, veteran actor and theatre personality Mr. Anil Khopkar accompanied by his wife Mrs. Swaroop Khopkar, a celebrated Marathi theatre artist.

The achievers of IGCSE, Primary Checkpoint, AS & AL, and IBDP were felicitated for their outstanding performances. Ms. Aparna Bhattacharya was felicitated for completing 25 years with the institution.

The play's harmonious introduction celebrated nature's beauty with poetic verses and dances, transitioning into themes of determination and teamwork through dynamic performances. Arthur's trials and redemption unfolded with fiery acts, soulful music, and heartfelt renditions, culminating in a vibrant finale.

The evening concluded with a moving rendition of A Million Dreams, leaving the audience spellbound and reflecting on the message that passion, perseverance, and meaningful relationships are life's true achievements.

ANNUAL DAY

BLESSING CEREMONY FOR AS & A LEVEL STUDENTS

A heartfelt blessing ceremony was held for AS and A Level students before their exams. Teachers and mentors shared words of encouragement, offering prayers and best wishes for their success. The event fostered positivity and confidence, leaving students motivated and reassured as they embarked on their academic journey.

CHILDREN'S DAY

Children's Day was celebrated with great joy and enthusiasm across the grades, from IEYC to IBDP, making it a memorable day for our students. A series of fun-filled activities and exciting performances were organized, bringing smiles and laughter all around. Teachers also joined in the celebrations, making the day even more special for the children.

CHRISTMAS CELEBRATION

Christmas, the festival of joy and togetherness, was celebrated with great enthusiasm across the school. Students from IEYC to IBDP participated in a variety of festive activities, spreading cheer and holiday spirit. The highlight of the celebration was the soulful carol singing by CP students, joined by Mildred Ma'am, who added to the festive fervor. Here's a glimpse of the joyous celebrations!

FUN FLEA ESTA 2024

The 4th edition of Fun-Flea-Esta on 7th December 2024 was a vibrant celebration of creativity and entrepreneurship. Students dazzled the audiences with performances, games, and unique product stalls, showcasing their talents and business acumen. Highlights included exciting attractions like a trampoline, Ferris wheel, and the eco-friendly 'Green Corner,' alongside delicious food stalls. The event was a joyful and enriching experience for all.

IBDP HISPANIC MONTH CELEBRATION 2024

The students of IBDP 1, on 12 December 2024, showcased their appreciation for Hispanic culture in a video screening event for the Spanish Ab Initio course, where they presented insightful vlogs about a Hispanic country with a narration in Spanish. These vlogs explored the country's unique gastronomy, tourist destinations, traditional attire, festivals and fascinating fun facts. The project was connected to the theme the students studied in class, allowing them to immerse themselves in the culture, which is an integral part of the language acquisition program of the DP curriculum, while practicing their Spanish language skills. The event emphasized the importance of cultural understanding and helped mold research and inquiry skills which demonstrates the integration of ATL skills and DP learners profile.

ANNUAL SPORTS DAY

The Annual Sports Day was a vibrant celebration of teamwork and athleticism, held on 24th January, 2025. The event began with a disciplined march past and a formal function, followed by the release of the mascot. Enthralling martial arts displays, an energetic Zumba session, and thrilling track events kept the excitement high. The tug of war added to the competitive spirit, culminating in the Best House Award announcement. It was a day of sportsmanship and unforgettable memories.

ACTIVE LEARNING

Active learning encourages students to think, explore, and engage deeply with every concept.

CHECKPOINT I: GLOBAL PERSPECTIVES

Students of Checkpoint I explored Global New Year celebrations through insightful PowerPoint presentations as part of their Global Perspectives class. This activity strengthened their research, analysis, evaluation, collaboration, and communication skills. Their presentations showcased a deep understanding of diverse cultural traditions, fostering awareness and appreciation of global festivities.

CP I - HINDI FRUIT SALAD ACTIVITY

This activity made learning fun as students discovered fruit names in Hindi while creating delicious salads. They worked in teams, explored healthy eating, and shared fun facts about fruits like seb (apple) and kela (banana). This interactive session fostered linguistic skills, creativity, and teamwork.

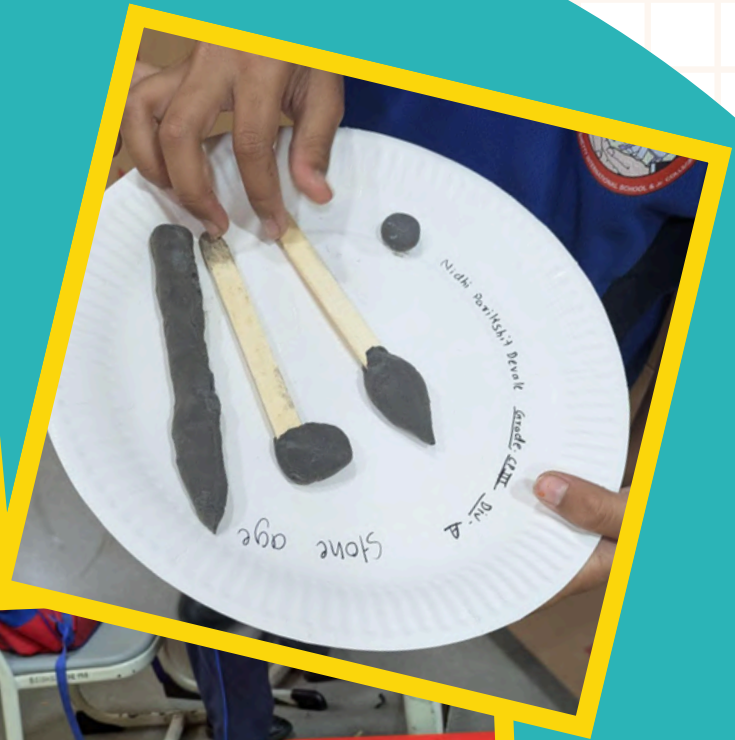

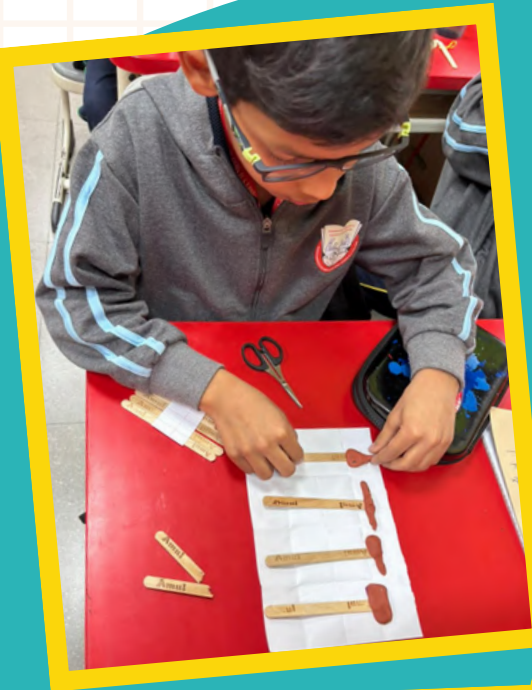

CP II - SANDWICH MAKING ACTIVITY

The students explored their creativity and culinary skills in a fun-filled Sandwich Making Activity. This hands-on session encouraged healthy eating habits while teaching them the importance of nutritious food in an interactive way.

CP III - STONE AGE TOOL

CP III students created Stone Age tool replicas using clay, pebbles, and sticks, bringing history to life through hands-on learning. This activity helped them understand how early humans survived using simple tools for hunting and daily tasks. The aim was to make the topic interactive while fostering creativity, problem-solving, and an appreciation for human innovation. Students enjoyed exploring the past in a fun and engaging way.

TRIPS

Educational trips offer students real-world learning experiences beyond the classroom walls.

KHOPOLI TRIP

An overnight trip to Khopoli for CP IV – Checkpoint II students offered adventure and learning experience. Activities like zip-lining, rock climbing, trekking, and rope courses boosted fitness, teamwork, and problem-solving. A nature walk introduced local flora and fauna, nurturing respect for nature. The trip left students with cherished memories, enhanced life skills, and a deeper appreciation for teamwork and the environment.

ONE-DAY TRIP TO IMAGICA

Students enjoyed an exhilarating one-day trip to Imagica, experiencing thrilling rides like Nitro and Scream Machine. The water park and themed attractions added to the excitement. Engaging shows, delicious food, and fun-filled activities made the trip unforgettable. It was a perfect blend of adventure and bonding, leaving students with cherished memories.

TEAM GREEN

Team Green initiatives nurture environmental awareness and responsibility, helping students become eco-conscious global citizens.

CLASS COMPOSTING COMPETITION

The students of Checkpoint IA excelled in the Class Composting Competition, showcasing teamwork and eco-consciousness. Using biodegradable waste like fruit peels, they created compost with precision and care. Their efforts highlighted effective waste management and sustainability practices. Congratulations to Checkpoint IA for inspiring others with their commitment to environmental improvement!

CMP DRAWING COMPETITION 2024

The CMP Drawing Competition, held on 22nd November 2024 for the students of Checkpoint I, showcased creativity and environmental awareness. Participants illustrated themes like "A Greener Tomorrow" and "Save the Planet Earth" with vibrant artwork. The event fostered artistic expression and ecological responsibility.

POTATO PEEL FERTILIZER ACTIVITY

On 2nd December 2024, the students of IBDP conducted a Potato Peel Fertilizer Making Activity during an IEYC Training Session. The little IEYCians learned to create nutrient-rich fertilizer from potato peels, promoting eco-friendly practices and sustainable farming. This initiative highlighted waste reuse, climate action, and the importance of environmental conservation.

COUNSELLING INITIATIVES

Our counselling programs support students' emotional well-being, ensuring a safe and nurturing space for growth.

BUILDING MINDFULNESS IN CLASSROOM CONVERSATION!

On 9th January 2025, Dr. Harish Shetty led an insightful session for parents and students of IGCSE I, offering practical advice on addressing student profanity through open conversations, family involvement, and nurturing resilient children.

WORKSHOP ON FRIENDSHIP, BULLYING, AND RESPECT

The workshop on friendship, bullying, and respect was an eye-opening experience for the CP V students. Conducted by the counseling department, the session engaged students through interactive activities and thoughtful discussions, helping them explore what it means to be a true friend, how to stand up against bullying, and the importance of treating everyone with kindness and respect. It was a session filled with learning, empathy, and teamwork, fostering stronger and more positive relationships. The aim is to continue spreading kindness and respect every day.

UNDERSTANDING EMOTIONS

On 4th December, as part of an initiative by the counseling department, the CP IV students took a deep dive into understanding emotions. Through engaging activities and group discussions, they learned to recognize and express their feelings in a healthy way. It was a day filled with discovery and growth as they gained essential tools for emotional awareness and empathy.

CAREER COUNSELLING

Career counselling guides students in discovering their strengths and planning bright futures.

PLAKSHA SESSION

On 29th November, Ms. Vasudha Gulati from Plaksha University addressed A-Level and IBDP students on the evolving job landscape, essential future skills, and entrepreneurial thinking. She emphasized research, problem-solving, and the fusion of Social Sciences with Engineering. The session concluded with insights into Plaksha's admission process and course offerings.
